

it's supernatural
bringing characters to life

Geppetto™

animation control system

faster. better. smarter.

New: **Geppetto v.2020** Powerful, fun, and easy to use! The most reliable real-time animation system in the world brings your characters to life right before your eyes. It can even control all aspects of your environment. This digital voodoo is trusted by Universal Studios,® Dreamworks,® The Smurfs,® Nickelodeon,® and many others. Recipient of the Thea Award for Outstanding Technology (as the technology behind the Thea Award-honored *SpongeBob SubPants Adventure* attraction at Moody Gardens in Galveston, TX), Geppetto simply delivers the best interactive character show possible. See it and you'll believe it.

SUPER 78

Where art meets technology For more information, call us at 323.663.7878 www.super78.com

Geppetto is Interactive

Consumers can now have real-time discussions with an animated character online, on a phone, or via a kiosk.

Geppetto is a Powerful Marketing Tool

Junkets, press events, meetings and realtime press interviews with animated characters is now possible.

Geppetto is a Production Time \$aver

By producing in realtime, fewer animators and less time means production costs savings.

Geppetto is Engaging Consumers

Real-time animation with live Interactivity: animation is no longer constrained by time with Geppetto.
